**The Global Aesthetics Alliance is proud to join with the SEASON 2020 conference – a new vision in aesthetic education at the Royal College of Physicians in London from Friday 29 May to Sunday 31 May 2020.**

SEASON 2020 is the 3<sup>rd</sup> congress of the Global Aesthetics Alliance. It is a premier programme of evidence-based, non-commercialized education, including advanced, hands-on anatomical training at Guy's Hospital. SEASON 2020 is co-badged with the British Association of Dermatologists (BAD) and aligned with the curricula of the British Cosmetic Dermatology Group (BCDG), British Association of Plastic, Reconstructive and Aesthetic Surgeons (BAPRAS), and British Association of Aesthetic Plastic Surgeons (BAAPS). The course content maps directly to the components of the General Medical Council-approved curricula for Procedural Safety, Management of Complications for Nonsurgical Cosmetic Procedures, and Facial Anatomy.

SEASON 2020 features presentations and hands-on training from a global academic faculty of anatomists, plastic surgeons and dermatologists on practical applications and novel scientific research for toxins, fillers, threads,

lasers and light-based devices, fat grafting and regenerative medicine, wound healing, skin rejuvenation, cosmeceuticals and new technologies. SEASON 2020 also offers practical, hands-on training in high-resolution imaging for avoidance and management of injectables complications, and 3D augmented reality simulation.

The meeting is open to all those who have an interest in the topics presented. Online registration is available at <https://season2020.com/register>

Discounted registration is offered until 15 March 2020 to members of the SSCE with the special code **7vGfIVJI**.
